

# Missouri District Gold Wing Road Riders Association

Dear Vendors

Well, hasn't 2020 been something? GWRRA has taken a hit as well but we have a couple of thoughts for about 2021. After no rallies in 2020, I would guess you still have a lot of unsold inventory not to mention you are probably bubbling over with cabin fever. Because of the above the Missouri District is going to charge ahead with the Branson Rally for 2021. We know we are being a little bold here so refunds will always be available if the Rally is cancelled but remain optimistic that we will prevail with an awesome rally. We invite you to jump on our optimistic coat tails and sign up for the 2021 Rally.

The dates are: June 3-5, 2021
